

Gardners Ground Canowindra Shiraz 2008

An organic red from central NSW. The freshness and vigour of life in the aromas is glorious. I like the plums, cherries and violets, they produce a beautiful set of aromas, that draw you soon. There is also an inherent earthiness to it that adds a savoury texture to the fruit. Pure, fresh, smooth and long, this is delicious drinking. Tight oak, well added, the backbone is elegant and medium bodied. A delight to drink.
