

Rosnay Sparkling Rose 2009

Rosnay make organic wines out of their Central NSW establishment. The freshness lightness and vigour in the fruit really reflect out of the wine's character. Sparkling Rose` is an interesting variant and it comes off neatly here with classic flavours, crisp fresh acidity and a dryness on the finish. Don't expect lashings of sweet ripe fruit even though it is made from Shiraz and Mourvedre fruit, instead the subtleties of the wine is what does the talking.
